OLD BUSINESS

- **November** minutes were approved as written and will be posted on the website accordingly.

Current Business. CJ introduces guest policy for discussion. Meeting was held with director and some tennis players with decision to enforce interpretation of 50/50 member/visitor rule per HOA regulations. This would mean 1 current league team would not be able to play their matches at Oakwood. Current fitness director is to inform captain of the team about decision.

HOA board member Mark Sadosky gives opinion that Iron Oaks tennis needs to find ways to bring more players and leagues here rather than turn teams away. He predicts pickleball will be taking 2 more of the tennis courts, no determination on which courts as of yet, and the tennis club should get more creative in bringing in more tennis players. This includes perhaps renting out courts to non-member teams as a means to keep courts in use. After discussion, decision is arrived at to keep current teams as is, with the understanding that new guidelines will be created and current HOA rules will be modified. CJ will inform Fitness Director of this plan. Again, changing prime time tennis hours to 0600 to noon is discussed.

Bob Lynne volunteers to help organize evening "drop in" tennis for AB players, and will discuss with Vivian organizing another evening for C players.

Monday evening Team Tennis to resume in January organized again by Bob.

Mark S also gives information that the HOA is budgeting \$100,000 for tennis use this year. CJ asks for ideas, suggestions for best use of that money to discuss at next meeting.
